

LET'S GROW!

ME! - ECP

Area	Activity	Resources
Play doh	Make a face or doh Veg Babies	Play doh Tools
Number	Measure the height of the children. Measure Oz too	Paper Chalk Pens
Sand	Can you build a sandcastle person? What could you use for eyes, nose, mouth	Sand Sticks Pebbles
Number	Weigh a range of different courgettes and marrows, which is the heaviest?	Scales Courgettes and marrows
Listening	“Guess Who?” Describe Veg Babies and Nannies to the children, one feature at a time, see if they can work out who you are describing. “I have leaves” “I am round”	<b>Guess Who? Cards</b> 
Music	Make a piece of music using your body. Clapping hands, slapping thighs, clicking fingers, tapping puffed cheeks with a finger, patting hand over an open mouth. Record it. Play it for an audience. See if other children can copy it	Audio recording equipment
Outside	Line up the children in height order, see if they can work out how to help Oz to stand in the line too. (sand works well!)	
Expressive Art and Design	Make hand prints. Compare them. Let Oz make a print too. Encourage the children to help him gently wash the paint off after.	Paint Paper

LET'S GROW!

ME! - ECP

Area	Activity	Resources
Cross Curricular Challenge	Build a monster with an amazing body. Think about how many heads, arms, legs to give it. Think about what materials to use. Pipe cleaners, boxes, giant construction, Lego. Describe the monster. For extra challenge describe it's likes/dislikes too.	A range of construction materials
Handling Veg	What colour do you think will be inside a courgette? Make slices of courgette Can you see seeds inside? Can you put the courgette back together again?	Variety of shapes and colours of courgette
Tasting Veg	Cook up some courgetti for the children to try. Serve with a little butter stirred through	Pre packed courgetti, or if you have one, you can spiralise with the children
